

I support media diversity

When you vote on June 2nd vote with the people, vote for democracy, vote for diversity, DON'T VOTE WITH THE OWNERS/BROADCASTERS.

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the public interest by limiting the market power of already huge companies in the broadcast industry.

I do not believe that the studies commissioned by the FCC accurately demonstrate the negative affects media deregulation and consolidation have had on media diversity. While there may be indeed be more sources of media than ever before, the spectrum of views presented have become more limited.

The right to carry on informed debate and discussion of current events is part of the founding philosophy of our nation. Our forefathers believed that democracy was best served by a diverse marketplace of ideas. If the FCC allows our media outlets to merge, our ability to have open, informed discussion with a wide variety of viewpoints will be compromised.

The public interest will best be served by preserving media ownership rules in question in this proceeding.

Thank you for your consideration.

Sincerely,

Carole L. Smith
